FOLD

cdlabelgen 4.1.0 © 2001−2008 Avinash Chopde <avinash@aczoom.com>

home page: http://www.aczoom.com/tools/cdinsert/

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title “tab”, on the tray insert, is for CD case with a transparent tray. Remove this “tab” if the CD case has an opaque tray.
6. Fold the left and right long narrow title“tabs” to a 90 degree angle, away from the main tray cover portion. If the right-most “tab” is retained for a transparent tray, fold that “tab” 90 degrees again, away from the title “tab” next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.

10. Please appropriately discard this portion and the scrap bits of paper.

From the Earth to the Moon / Round the Moon
Jules Verne

From the Earth to the Moon

From the Earth to the Moon (French: De la Terre à la Lune) is a humorous science fantasy story written in 1865 by Jules Verne and is one of the earliest entries in that genre. It tells the story of three well−to−do members of a post−American Civil War gun club who build an enormous sky−facing columbiad and ride a spaceship fired from it to the moon. (Summary from Wikipedia)

Note: From the Earth to the Moon ends in a bit of a cliffhanger. The story continues with Round the Moon, which is in the catalog. − Laurie Anne Walden

Round the Moon

Around the Moon, Jules Verne’s sequel to From the Earth to the Moon, is a science fiction novel continuing the trip to the moon which left the reader in suspense after the previous novel. It was later combined with From the Earth to the Moon to create A Trip to the Moon and Around It. (Summary from Wikipedia)
